

# Help kids have an unforgettable summer camp experience... Donate to the PWA Camp Scholarship Fund Today!

It's winter, but youngsters are already dreaming of going to summer camp. The Pemaquid Watershed Association (PWA) makes this possible every year for local kids, our future "Earth Stewards", with support from the community via our Hauschka Scholarship Fund. PWA established the Hauschka Scholarship Fund in 2000, named in honor of the family who spearheaded the grassroots origins of the PWA in 1966.

Our summer camp is an amazing opportunity for youngsters to learn about ecology and sound land-use practices. Camp sessions are held at the Doyle Preserve on Pemaquid Lake and at other sites throughout the Pemaquid watershed region. Camp participants explore different habitats and discover connections among ecosystems, and our graduates become expert Watershed Stewards, gaining knowledge, purpose, and tools to help protect our natural ecosystems for current and future enjoyment.

PWA offers the Hauschka Scholarship Fund to make this summer camp learning experience possible for kids who might otherwise not be able to attend. **Please help us help kids attend summer camp by sponsoring a camper or making a donation to our Hauschka Scholarship Fund.** Please cut out the coupon below and mail it with your donation before April 15, 2007. Your contribution is tax-deductible to the fullest extent allowable under federal law.

I/we would like to sponsor a child for a week's attendance at the Pemaquid Watershed Association *Watershed Kids*™ Nature Day Camp

*Watershed Kids*™ Nature Day Camp 6-day session.....\$175/kid

**Or**

I/we would like to make a donation to the Hauschka Scholarship Fund in the amount of \$ \_\_\_\_\_
